

**Marion Hislen** was Director Photo and Book of **Fnac** within the direction of the Cultural Action. She also manages Photo galleries **Fnac**, 20 spaces of exhibition through France. She is curator and director of **Circulation(s) Festival**, the main Parisian photography event for young photographers taking place in 104 Paris.

**Marion Hislen** worked in marketing and communication for 15 years before joining her passion, the photography. Curator of numerous exhibitions such as Paris-Beijing, the first retrospective in France of Chinese contemporary art in the Espace Cardin, she is the founder and president of the organization **Fetart**. The organization is dedicated to promote emergent photographers, by giving them a first opportunity to exhibit their work. It is one of the most famous photography organizations in France. **Fetart** organizes the **Circulation(s) Festival**, first festival of the young European photography in France.
